MEMORANDUM FOR: Chief, Intelligence Institute

SUBJECT: Use by OTR of Middle East
Post-Mortem Report

1. Thank you for your memorandum of 5 August 1974 concerning the use of the Middle East Post-Mortem Report in selected training courses. We are delighted that you think the use of our paper would be "exceptionally beneficial" in selected training courses.

2. This is to advise you that I have received formal approval from the D/DCI/IC for the kind of program you propose. We have also authorized the Defense Intelligence School to make similar use of appropriate sections of the Middle East Post Mortem.

3. I will be in touch with you concerning other studies done here which might be of interest to you.

4. Concerning your proposal for an OTR Research and Discussion Group Program (your memorandum for the DCI of 27 February 1974, with attachments), we await further word. As you know from our previous discussion, we look with great favor on the proposal and will help in any way we can.
